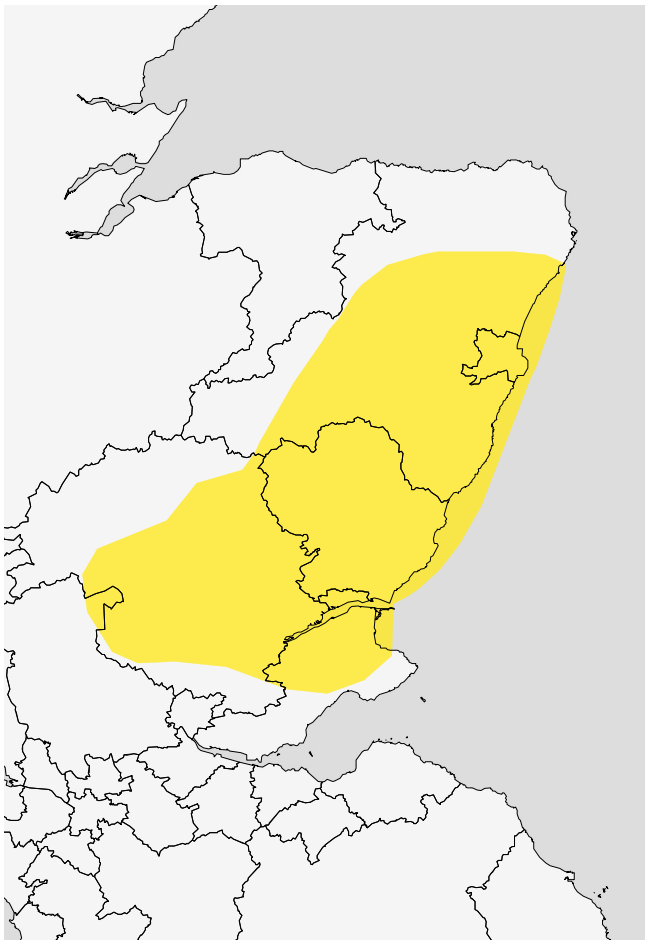
Yellow warning
Rain

Between
12:00 Thu 26 Oct 2023 and
18:00 Sat 28 Oct 2023



Persistent and occasionally heavy rain may lead to some flooding and transport disruption.

What to expect

- Spray and flooding leading to difficult driving conditions and some road closures, and may lead to delays or cancellations to train and bus services
- Homes and businesses could be flooded, causing damage to some buildings
- Likely delays or cancellations to train and bus services
- There is a chance of fast-flowing or deep floodwater
- One or two smaller communities may be cut off by flooded roads
- Possible power cuts and loss of other services to some homes and businesses

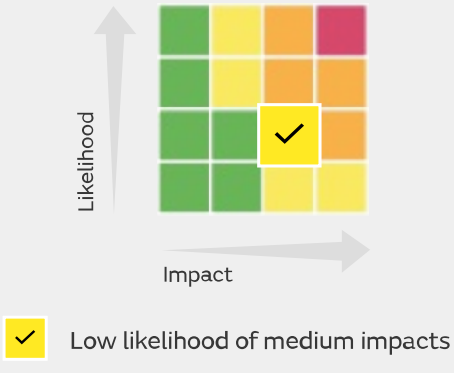
Further details

Further rain, heavy at times, is expected across eastern Scotland, although easing more generally by Saturday evening.

Rainfall totals from mid Friday morning until Saturday evening will be 20-40 mm across some lower ground, but with 50 to 100 mm falling over higher ground.

Reason for update

Rain expected to ease by Saturday evening, with a separate warning to be issued to cover further heavy rain during Sunday and into Monday..



Low likelihood of medium impacts
